## Come Out of Hibernation and See What's Happening!

It's hard to believe that June has arrived. With the amount of snow that is still lingering, one would guess that it is mid April. Perhaps lingering is not the right word as we received five new inches of snow over Memorial weekend. CRAZY!

One of these days, the weather is really going to dry up so that we all can enjoy ATV season...which we hope will arrive sooner than later. It has been quite a season for the snowmobile enthusiasts, but those anxious to hop on an ATV and go meandering (or baha-ing) through the forest, it's going to be a wet ride for a few more weeks, which isn't necessarily a bad thing if you liked the picture of the month. A majority of the ATV trails are still under snow, but the melt off is occurring rapidly with the warmer temperatures. For a current update of trail conditions, you can contact the lodge directly at 435-642-6289 or we are posting updates and images regularly at facebook.com/TheCabinsatBearRiverLodge.

The construction progress on the grill and the store is in full swing and we are hoping it will be complete by mid-June. We are putting the final touches on the menu and boy does it look tasty! From Warming Hut Pancakes to Double Hill Burgers, we are sure to please that growling bear in your stomach - especially after your fun-filled day exploring the forest and frolicking in the pool. For current images and updates on the grill, be sure to visit us on Facebook.

## "Making Memories to Last a Lifetime" Picture of the Month

Congratulations LuAnn Smith! Your photo received the most votes on Facebook this month and you have won a \$25 rental gift certificate along with the bonus mystery prize - A one-night, one-bedroom cabin rental. This is the perfect year for playing in those ponds and puddles. With the amount of moisture we received through the Winter, there is going to be plenty of splashing to go around.

Get your cameras ready - you can be our next "Picture of the Month" winner! It is easy to enter, just join us on Facebook and post your pictures at facebook.com/TheCabinsatBearRiverLodge or email your picture to Jamie@BearRiverLodge.com and she will post it for you. The photo that receives the most "likes" on Facebook will be awarded a \$50 rental gift certificate. Must submit entry by June 30th!

## The Manager's Den

Summer is coming and with it lots of exciting improvements and new offerings at The Cabins at Bear River Lodge.

If you have watched the weather cameras the past several weeks, you have seen tools in front of the store and other construction activity happening on and off throughout the days. Our Managers, Craig and Linda Bullard, have been hard at work completely remodeling the General Store and adding a Grill. The changes are remarkable. They have done a wonderful job. The greatest part of all of this is that Food Service will once again be available at Bear River Lodge.

The Grill will open daily at 8:30 AM and close at 7:00 PM throughout the summer and 6:00 PM the remainder of the year. The menu will soon be posted on our website and will include breakfast, lunch, and dinner options. We have been known for the great quality of our hamburgers and I am sure you will like the additional items we have added to the menu. Look for the Grill to open about the middle of June.

This summer we are excited to also begin offering lots of additional activities including Highway Licensed Side by Side UTVs for touring the Mirror Lake Highway. One of my favorite spots is Provo River Falls. With the incredible water flow this year, this is sure to be a spectacular site to visit this summer.

We will also have mountain bike rentals, kayak rentals, fly fishing instruction, and fishing equipment rentals.

Summer is here so let's get out and have some fun.
